

**2009 PINOT NOIR ROSÉ**  
**“TE MUNA”**  
**MARTINBOROUGH, NEW ZEALAND**

Made from 100% Pinot Noir grapes, this Rosé marks the first wine from Cobblestone’s new vineyard on Te Muna Road in the small village of Martinborough, New Zealand.

Following crush, the juice soaked for several hours with the skins allowing it to take on delicate color and flavors. The juice was then separated from the skins and fermented at a cool temperature in 100% stainless steel to retain its freshness and fruitiness.

**Tasting notes:**

Along with its beautiful dusty rose color, this wine offers a crisp, off-dry style with flavors of strawberry, watermelon, red raspberry and a hint of vanilla. Perfect as an aperitif, or alongside any grilled dish or roasted poultry. Serve lightly chilled.
